## Sports Update

CHSAA has pushed back the beginning of winter sports for the second time this year. CDPHE did not grant CHSAA the variances needed to start the winter season (season B) due to the statewide increase in COVID-19 cases. The new start date is set for February 1, 2021 but this could change. The next meeting between CHSAA and CDPHE is scheduled for January 15<sup>th</sup> and updates will be provided after the meeting.

## High School Sports

Season B sports – basketball and wrestling

- Practice January. 25, 2021
- Season February 1<sup>st</sup> - March 20<sup>th</sup>

Season C sports - volleyball

- Practice March 15<sup>th</sup>
- Season March 22 - May 8<sup>th</sup>

Season D – baseball and track

- Practice May 3<sup>rd</sup>
- Season May 10<sup>th</sup>-June 26<sup>th</sup>

## Middle School Sports

The San Juan Basin League is committed to trying to have all middle school sports this year, if possible. All seasons will be four weeks long (with no championship games). We understand that this is not ideal but we are trying our best to give the middle school athletes a chance to play even if it is a shortened season.

Tentative schedule:

- February = MS Girls Volleyball\*
- March = MS Boys Basketball
- April = MS Girls Basketball & MS Football
- May = MS Wrestling & MS Track

\*If we are unable to play at this time we have a contingency plan set to play volleyball in May.
