

IMPORTANT STUDENT ATHLETIC INFORMATION

Planet High School (PHS) is the website that Colorado High School Athletic Association (CHSAA) has partnered with to facilitate essential athletic forms. All athletic forms can be found, signed, uploaded as well as stored within PHS. PHS also collects and stores all important medical information pertaining to athletes, as well as where their emergency contact information is located. This is a CHSAA rule and if you do not have a PHS account properly filled out then you will not be eligible to participate in high school sports.

With sports beginning soon, it is very important that all students sign in to their PHS account to make sure that the account is still active. I have noticed that a few high school athletes are missing from the school list. All incoming freshmen must sign up for an account and then invite their parents to join. The student, as well as a parent, must have their own separate account. To make the process easier the student account should be established first and then the student should send an invite to the parent or guardian to join.

Please go to www.planeths.com to set up your account.

Here is a link to a video that will help you get started setting up your PHS account as well as linking the student account with the parent account bigteams.force.com/support/s/article/PHS-Parent-Student-Getting-Started.

If you have any questions please don't hesitate to reach out to me and I will try to help.

Thanks,

Kyle Dinsmore
