

Student Media Consent and Release Form

Throughout the school year, students may be highlighted in efforts to promote Norwood Public Schools activities and achievements. For example, students may be featured in materials to train teachers and/or increase public awareness of our school through the school website, social media, YouTube, the web, newspapers, radio, TV, DVDs, displays, brochures, and other types of media.

By signing the Information Packet Signature page, you hereby give Norwood Public Schools and its employees, representatives, and authorized media organizations permission to print, photograph, and record your child's image, voice and name for use in audio, video, film, or any other electronic, digital and printed media.

Your signature also indicates your understanding that you are also fully aware that you will not receive monetary compensation for your child's participation.

You further release and relieve Norwood Public Schools, the school board, employees, and other representatives from any liabilities, known or unknown, arising out of the use of this material.

By signing the Information Packet Signature page you certify that you have read this Media Consent and Release Form and fully understand its terms and conditions. Please understand that failure to return this release form within ten (10) school days from the date of distribution will constitute approval of the above requests.

If you do not want the Norwood Public Schools to use your child's video or still image, voice, or name in media without your prior written consent, you must notify the school in writing by the beginning of the school year.
